

DELIVERY PROGRAM

SILO PLANTS FROM ALUMINUM AND STAINLESS STEEL

- Storing Silo
- Flex-Silo
- Multi-Chamber Silo
- Truck-Loading Silo
- Mix-Silo with screw
- Mix-Silo statically

MEASURING- AND CONTROL SYSTEMS

- Siltronic M, L, XL with connection to your network
- Continuous silo level measuring
- Silo weighing with load cells
- Full and empty level sensors
- Manufacturing of control boxes

SILO COMPONENTS

- Aeration filter
- Discharge systems
- Silo insulation
- Silo head room dehumidifying
- Telescopically truck loading system
- Silo maintenance

BULK CONTAINER FROM ALUMINUM OR STAINLESS STEEL

- Day bins
- Stackable container
- Small container
- Mixing container

- Multi chamber container
- Octabin container
- Custom made container

HANDLING SYSTEMS

- Big-Bag-Emptying-Station
- Big-Bag-Filling-Station
- Octabin-Rotating-Station
- Octabin-Turning-Station
- Octabin-Tilting-Station
- Automatic-Sack-Emptying-Station
- Manual-Sack-Emptying-Station

FEEDING SYSTEMS

- Spiral-Feeding-Systems
- Screw-Feeding-Systems
- Pressure-Feeding-Systems
- Pipe-Chain-Feeding-Systems

CONE-MIXER

- Cone-Screw-Mixer
- Cone-Blade-Mixer
